Wow, a Jazz fest just for me on my 30th birthday?

Across the street at the **Fly Me to the Moon** Swingin Hipsters Groove Cove, a simple double bill featuring **County Road X** and **Licorice** will kick off at 9:30 p.m.

Licorice is that funky rock-like jam thing that everybody has a bootleg copy of somewhere. Why not let the tape sit and go see the live show? One ticket, one night, one

love, two bands, too hot for TV.
